Simsbury Community Television (SCTV) runs public service announcements (PSA's) on its Community Calendar, which is cablecast in-between regular programming. PSA's are non-commercial announcements that contain information that benefits the public. We accept PSA's from any non-profit organization. Typical PSA's announce community events, arts or theater events, volunteer requests, or community services. The location of the event may be anywhere in the Farmington Valley area, but priority will be given to Simsbury based events or organizations.

To submit your announcement, you can send us your flyer, send an e-mail or fill in this application. 50 word maximum. Please be sure to include a contact person and phone number with your submittal. ***We reserve the right to edit your announcement to fit our text requirements.***
